

Nison L Badalov MD
105-44 63 Road, Forest Hills, NY 11375
718 275 5474/ 347 385-6667
Nisonbadalov@yahoo.com

Education:

08/1999- 05/2003 St. George's School of Medicine, Grenada, West Indies
M.D. May 2003
01/1997-05/1999 Brooklyn College, Brooklyn, NY. B.S. Biology, May 1999
09/1994-12/1996 Kingsborough College, Brooklyn, NY.

Postdoctoral Training:

Resident Physician, Department of Medicine, Maimonides Medical Center, Brooklyn, NY
Internal Medicine, 2003-2006.
Clinical Fellow, Gastroenterology Division, Department of Medicine, Maimonides Medical
Center, Brooklyn, NY. 2006- Present.
Academic affiliates of Mt. Sinai Medical Center, NY
Clinical Hepatology Fellow- Mount Sinai Medical Center, NY

Will be credentialed in ERCP, EUS, Capsule endoscopy, and therapeutic GI

Licensure and Certification:

2006 Diplomate - ABIM – Internal Medicine (Valid through 2016)
State Licensure: 2006 New York, 242278

Examinations:

USMLE Step 1 – 95th percentile
USMLE Step 2 – 93rd percentile
USMLE Step 3 – 94th percentile
2007 National Gastroenterology In-Service Exam - 97th percentile
2008 National Gastroenterology In-Service Exam - 98th percentile

Honors and Awards:

2009 NYSGE David B. Falkenstein Memorial Award for Best Endoscopic Research
2008 NYSGE GI Jeopardy Winner
2008 ACG Astra Zeneca Senior Fellow Award Recipient. Orlando, Florida
2007 ACG Astra Zeneca Senior Fellow Award Recipient. Philadelphia
2007 ACG Presidential Poster Award Recipient. Philadelphia
Merit scholarship (Geoffrey Bourne Scholarship) 1999-2003
Dean's Honor List- St. George's School of Medicine 1999-2003
IEA Honor Society- St. George's School of Medicine 1999-2003
Dean's List Awards- Brooklyn College 1997-1999
Dean's List Awards- Kingsborough College 1994-1996

Book Chapters

1. **Nison Badalov** and Scott Tenner. Chronic Pancreatitis and Pancreatic Pseudocysts. *Practical Gastroenterology and Hepatology. Volume Two, Small and Large Intestine and Pancreas.* Editors (Nicholas Talley MD, PhD, Sunanda Kane MD and Michael Wallace MD). Wiley-Blackwell, Oxford, UK. In press.

2. **Nison Badalov** and Scott Tenner. **How much fluid should be given during the initial management of acute pancreatitis?** *Curbside Consultations in Pancreatic Disease.* Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

3. **Nison Badalov** and Scott Tenner. **Should I check a CRP during all admissions for pancreatitis?** *Curbside Consultations in Pancreatic Disease.* Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

4. **Nison Badalov** and Scott Tenner. **When should I consider performing a CT of the abdomen in a patient with acute pancreatitis? (Timing during admission and clinical signs that should prompt scanning)** *Curbside Consultations in Pancreatic*

Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

5. Nison Badalov and Scott Tenner. When would you use antibiotics in acute pancreatitis, and which antibiotics do you use? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

6. Nison Badalov and Scott Tenner. What can be done to minimize post-ERCP pancreatitis? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

7. Nison Badalov and Scott Tenner. When should gallstones be considered the etiology of acute pancreatitis? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

8. Nison Badalov and Scott Tenner. When should an ERCP be performed in acute gallstone pancreatitis? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

9. Nison Badalov and Scott Tenner. My patient had a single episode of uncomplicated gallstone pancreatitis. Should he have a cholecystectomy, and if so, when? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

10. Nison Badalov and Scott Tenner. When would you perform surgery in acute pancreatitis? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

11. Nison Badalov and Scott Tenner. What should be the sequence of investigations for a patient with recurrent, unexplained acute pancreatitis? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

12. Nison Badalov and Scott Tenner. My patient with Crohn's Disease developed pancreatitis on Imuran. Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

13. Nison Badalov and Scott Tenner. What is the pathophysiology of alcohol induced injury to the pancreas? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

14. Nison Badalov and Scott Tenner. My patient is a middle aged woman with an asymptomatic 5 cm fluid filled cyst in the tail of the pancreas, found incidentally on abdominal CT scanning. What to do next? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

15. Nison Badalov and Scott Tenner. What is the best approach to a cystic lesion in the tail vs head of the pancreas when the diagnosis cannot be clearly established? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

16. Nison Badalov and Scott Tenner. How does one manage pseudocysts? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

17. Nison Badalov and Scott Tenner. How do I determine when a pseudocyst has become infected? How do I manage this? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

18. Nison Badalov, Robin Baradarian and Scott Tenner. When should endoscopic therapy of the pseudocyst and/or organized necrosis in acute pancreatitis be applied? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

19. Nison Badalov and Scott Tenner. How much fluid should be given during the initial management of acute pancreatitis? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

20. Nison Badalov and Robin Baradarian. What are the risk factors for the development of pancreatic cancer? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

21. Nison Badalov and Scott Tenner. What is the best approach to staging pancreatic cancer? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

22. Jack Braha, Robin Baradarian and Nison Badalov. My patient has chronic diarrhea and extensive work up has been negative. How to establish a diagnosis in a patient suspected of having VIPoma? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

23. Nison Badalov and Robin Baradarian. In a patient with gallstone pancreatitis, when should an ERCP and/or MRCP be performed preoperatively? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

24. Nison Badalov and Scott Tenner. What is the best approach to the patient with suspected sphincter of Oddi dysfunction? Curbside Consultations in Pancreatic Disease. Editors (Tenner S, Brown A, and Gress F). Slack Publishing, Newton, Mass, In press.

Activities/ Volunteer Experience:

President of Jewish Student Association 1999- 2001 (Grenada, SGU School of Medicine)

Grenada Health Fair 1999- 2001

Surgery Club Member /Emergency Club Member 1999- 2001

PERSONAL:

Married, fluent in Russian.
